

**Remarks related to STEP files Rotax HD Short:**

- This ZIP package should contain 4 STEP files:
  - o "Rotax HD Short excluding mounting bracket.stp"
  - o "Rotax HD Short including mounting bracket 1 (option A).stp" The mounting bracket in this STEP file is identical to the mounting bracket as depicted in the product sheets. This bracket allows for 90 degree rotation and provides protection of the main shaft.
  - o "Rotax HD Short including mounting bracket 2.stp" The included bracket allows for 180 degree rotation and provides protection of the main shaft.
  - o "Rotax HD Short including mounting bracket 3.stp" The included bracket allows for unrestricted rotational freedom and does not protect the main shaft
- Apart from the Mounting Bracket (option A), these CAD files do not contain any other available options.
- As the inner volume of the model does not represent the real construction and contents, no weight properties can be derived from this model.

**Exclusion of liability**

Seatools B.V. has carefully compiled the contents of this CAD model in accordance with their current state of knowledge. Use of this CAD model, are at the user's own risk and responsibility. Damage and warranty claims arising from missing or incorrect data are excluded. The Seatools B.V. bears no responsibility or liability for damage of any kind, also for indirect or consequential damages resulting from the use of this CAD file.
